Commander, Hospital Liaison Program

Re: Crane Operation at Toronto Western Hospital (TWH) – April 20, 2024

A crane will be on-site at TWH on **Saturday, April 20, 2024**, between the hours of **04:00 and 20:00**. During this time there will be no parking in the lot adjacent to the emergency entrance. Paramedic crews will be expected to move their vehicles onto Carlyle Street at their earliest opportunity to ensure arriving units can safely unload.

Police and flag persons will be on-site to assist with safe vehicle movement. Paramedics are expected to follow the Vehicle Backing Up procedure as outlined in SOP 03.04.27.

If you have any questions, please speak with an on-duty Superintendent.

Thank you,
