

Advanced Care Paramedic Training Opportunity

All eligible Primary Care and Level II Paramedics may apply to the following Advanced Care Paramedic Training Opportunity.

Selection Process:

All candidates will be required to write a selection exam. Candidates who are successful on the written exam will then be ranked based on seniority (senior qualified) to determine their eligibility to enter the course. There are twelve (12) training positions available. The didactic component of the course will tentatively start on **June 5, 2023** with a tentative graduation date of **January 29, 2024**.

Note:

Successful candidates **will not** be authorized to take vacation or leaves of absence during **any** portion of the pre-course, didactic, clinical, preceptorship, or certification components of the course. Failure to meet program attendance requirements may result in removal of the student from the program as per educational program policy.

Successful candidates **will** be required to complete on-line pre-course modules prior to the start of the program. In addition, successful candidates will be required to attend a three-day pre-course program scheduled during May 2023, dates to be announced.

During the program your schedule **will** be changed. Training may be postponed or cancelled based on operational demand. Training will be provided by Toronto Paramedic Services.

Graduates of the program **will** be required to write the Provincial Ministry Certification Exam, tentatively scheduled on **January 17, 2024**, prior to Base Hospital Certification.

Eligibility:

1. You **must** hold current certification as a Primary Care or Level II Paramedic under Sunnybrook Centre for Prehospital Medicine (Base Hospital) and be in good standing.
2. You **must** have a minimum of three (3) years paramedic experience, with at least two (2) years at Toronto Paramedic Services at time of selection exam.
3. You **must** currently be in good standing with your Commander at your current level of practice. Commanders will use the following criteria to determine good standing:
 - No greater than a Step 1 Attendance Management Letter currently on file;
 - Must have no more than four (4) late occurrences on file within one (1) year from the date of the evaluation request;
 - Must have no significant disciplinary record currently on file [one (1) day suspension or greater];
 - and**
 - Must have no more than four (4) "Paramedic Attitude" complaints on file within one year from the date of the evaluation request.
4. If you are on WSIB/modified duties, you **must** supply a physician's note stating that you will be fit for duty (without any restrictions) **prior** to the start of the course and that you are medically capable of performing **all** manual and technical skills in the didactic lab sessions.

Written Exam:

Interactive modules, available at www.temseducation.com, may assist you in preparation for the selection exam. Once logged into the portal, you can self-register in the "ACP Study Material" course under the heading "Self-Enrollment Courses".

A maximum of thirty (30) participants will be allowed per exam date. If accommodations are required please email acp@toronto.ca. All accommodations are subject to approval from the Commander of Education.

All exams must be written off-duty.

Subject to availability, please choose from the following exam dates:
